

## Tenant Bulletin

**Date:** August 16, 2017  
**To:** Edna Lucille Goodrich Tenants  
**From:** Amy Lamb, Property Administrator  
**Re:** **Pavement Work by City of Tumwater**

---

### **Pavement Project**

**Linderson Way: Lee Street to Tumwater Boulevard**

**Israel Road: Capital Boulevard to 1-5 Overpass (Parson Plaza Parks Bldg)**

**Thursday, August 17, 2017 starting at 7:30 am**

A representative from the City of Tumwater stopped by this afternoon to inform us of pavement repair work that is occurring tomorrow. Below is the information provided.

*The City's contractor, Lakeside Industries, Inc., will be doing pavement repair work on Linderson Way near Lee Street and head south beginning about 7:30 a.m. so that may impact some people that start at that time or later. Traffic interruptions will occur due to one way, flagger controlled traffic where they are working.*

*Staff should plan additional time if they need to leave the office for anything during the day – i.e. errands or lunch. If possible it is recommended heading south to Tumwater Boulevard for those who are south of Israel Road or Israel Road heading west for those who are west of Linderson Way when possible to avoid extended delays.*

*Please drive slowly in the work zone while work is occurring for both worker safety and to prevent damage to vehicles as there will be intermittent depressions in the areas being repaired prior to paving.*

*If you have any questions or concerns please contact Brandon Hicks via email at [BHicks@ci.tumwater.wa.us](mailto:BHicks@ci.tumwater.wa.us) or by phone at 360-754-4140.*

This bulletin and other recent bulletins can be found posted on the ELG Building website at [www.elgbuilding.com](http://www.elgbuilding.com) .

Sincerely,

Wright Runstad & Company
